

“Levitation”

*Columbia Valley
100% Syrah*

The 2007 Levitation is 100% Syrah from Les Collines Vineyard in the Walla Walla Valley, Lewis Vineyard in the lower Yakima Valley and Portteus Vineyard in the upper Yakima Valley. Blended together the wine shows the precision of dense, sweet fruit from Lewis, the opulent aromatics and texture of Les Collines, and extreme minerality from the ancient soils of Portteus. This wine was aged for 11 months in 100% French oak, 20% of which was new. This blockbuster Syrah will easily age for a decade. Pair this wine with grilled meats and feel your spirit Levitate!
