2008 Modern Wine Project "Chardonnay"

Another tremendous wine project from the talented team at Sleight of Hand Cellars of Walla Walla WA, the Modern Wine Project wines are unabashedly and unapologetically big! This is a full throttle Chardonnay, full of lush, tropical fruit and a terrific spice component from the French oak treatment. There is a gorgeous spine of acid that holds this wine together, and helps deliver the flavors from front to back. The 2008 vintage was "cool" by Washington State standards, and really benefitted this Chardonnay by allowing for extended hang time and extra flavor development. Should pair wonderfully with fresh salmon on the BBQ and some fresh mango salsa!
