Columbia Valley

Chardonnay

The Renegade Wine Co. is proud to present our newest creation, the **2009 Columbia Valley Chardonnay**. Only 500 cases of this gem were produced. Aged in mostly stainless steel with a little bit of the wine aged with oak, it is a crisper style of Chardonnay, with aromas and flavors of citrus, tropical fruit, and vanilla beans. It is a versatile Chardonnay that will pair well with salads and appetizers, as well as some fish dishes. It will also be a great summertime sipper, unless of course we are sold out by summer! So get it while you can.
