2010

Columbia Valley

Rosé

The Renegade Wine Co. is jumping on the rose' bandwagon with the **2010 Columbia Valley Rose'**! Less than 325 cases of this tasty summer sipper were produced. It was made from 100% Syrah grapes that were pressed directly after harvesting, and the juice was drained to stainless steel tanks, where the wine was fermented at a cool temperature to retain the fresh fruit characters of the final product. It has wonderful aromas of fresh pomegranates and citrus, some red berries, and even rhubarb.

This wine will be the perfect pairing with a fresh beet salad and crumbled goat cheese, or
