

The Renegade Wine Co. is very excited to release the **2014 Renegade Wine Co. Grenache**. Only 285 cases of this wine was produced, and after drinking a bottle, you'll wish we had more! This Grenache is mostly farmed off of the old riverbed in Walla Walla known as the "Rocks" District with the balance coming from the Snipes Mountain AVA. The wine was barrel aged for 15 months in neutral French oak barrels before bottling. Like all the Renegade wines, this drinks as good as something twice the price!

66% Rocks District fruit & 33% Snipes Mountain
100% Grenache
66% Whole cluster fermentation
14.5% ABV
285 cs produced

Release date May 1st, 2016
